

PUBLIC LEDGER

WEEKLY REPUBLICAN—1887.
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., FRIDAY, AUGUST 5, 1904.

ONE COPY—ONE CENT.

THE PORCH.

1.
When father built the veranda,
He kicked about the expense,
But ma, she said:
"Don't mind it, Ed—
Don't think of dollars and cents."

2.
"That autumn Clara was married,
It made pa glad as could be,
And ma would smile
Most all the while,
"I'm proud of that porch," said she.

3.
Last summer both Belle and Amy
Would race for the porch at night,
And all the rest
Of us thought best
To stay indoors, out of sight.

4.
But Belle ran faster than Amy—
She got her man in July;
And I'll commend
That porch to send
A bachelor's oath sky high.

5.
Last Sunday Amy informed us
That she had told Jimmy "yes,"
And now us three,
Pa, ma and me,
Can get on that porch, I guess.

—Cleveland Leader.

THE LEDGER yesterday gave much space to a glorious cause—the vindication of CALEB POWERS. Mr. KINKEAD's paper is worth reading.

SINCE the big meat strike, some of the Mason county farmers have kindly consented to sell a few choice cattle and some young sheep to the Maysville butchers.

HENRY C. POTTER, Bishop of the Episcopal Church in New York, presided at the opening of a saloon in that city; and the way the impracticable "Prohibs" are abusing him is enough to paralyze the foam on a stein. The Bishop has common sense on his side, however, and it's a ten-to-one shot that he'll win out.

WHEN the Prohibs find that Prohibition doesn't prohibit, they pass a Prohibition Law.

THE Louisville Herald says the fortune of HON. HENRY G. DAVIS is, according to latest Democratic returns, \$40,000,000. There are still several banks, mines and railroads to be heard from. Just what the figures will be when the November landslide hits the Davis fortune we may never know.

THE Civil Service Commission has decided that TAYLOR, the non-Union Negro bricklayer, on account of whose employment the other bricklayers at the Washington Barracks Buildings went on strike, should not lose his position nor his pay during the three days that elapsed between the days his name should have been dropped from the eligible list and the day he again registered. The July register contains the names of fifty bricklayers, mostly Union men, and when the strike was declared and their names were certified they refused to take the places of the strikers. In making up the August register the Commission must decide whether this refusal to work with a non-Union man is sufficient cause to strike their names from the eligible list.

I tried your Cascarets and great was my joy when the pimples disappeared after a month's steady use. I have recommended them to all my friends and quite a few have found relief."

Carbonate Your Drinks.

In the economy of the human body carbon is of value as a heat and tissue producer; oxygen is essential to the enrichment and proper circulation of the blood. In combination as a gas in the proportions of one part carbon to two parts oxygen they serve as a ready solvent of the mineral ingredients of food, preparing them for absorption by the tissues of the digestive organs. A simple method of carbonating drinks in the household is by the use of Sparklets. They are applicable not only to water, but to any beverage, such as wine, milk, tea, etc. We will be glad to show you

The State Board of Health will endeavor to secure indictments against all the railroads in Kentucky, charging that their cars are kept in such an unsanitary condition that the welfare of the traveling public is imperiled. The Mason county farmer seems to be specially blessed these times. With wheat up to the dollar mark, and then such a magnificent rain as fell this morning, making the corn yield more than double it otherwise would have been, why shouldn't the horny-handed son of toil class himself as of the few specially blessed? The rain was bountiful and extended far and wide.

The Snap of the Season

That is better than missing it altogether. The selling out of a complete storeful of GOOD shoes is no ordinary occurrence. In our case it is simply a slaughter of prices to meet the requirements of a Trustee, who wishes to close out the stock QUICK.

BABY QUIRK'S
QUICK CURE

Of Torturing Eczema
by Cuticura

When All Else Had
Utterly Failed.

"My baby, Owen Herbert Quirk, was
afflicted from the age of six weeks with a
loathsome running eczema, almost
covering his face. I took him to Drs.
and of Victoria Road,
Aldershot, and he was treated by them
for three months, but got much worse,
and was a sickening sight to look at.
I saw an advertisement of the Cuticura
Remedies, and got the Soap, Ointment
and Resolvent.

"We noticed an
improvement at
once, and within a
fortnight the run-
ning had ceased
and the scales were
nearly all dried off,
and in a month his
face was perfectly
clear, not a spot
left. I have en-
closed photograph
of him when he
was thirteen months old. He is now
two years and four months, and has
never had the slightest return of it. I
am very grateful for the benefits de-
rived from your remedies, and shall
feel it a pleasure to make their value
known. For corroboration of this
statement you may refer any one to
Mrs. Williams, 45 Michaels Road, Alder-
shot, or Mr. Gunstone, 40 Victoria
Road, Aldershot, to whom we recom-
mended the remedies for a skin humour,
which they also cured. You are at
liberty to do what you like with this
statement, as I should like all to know
of the value of Cuticura."

Miss Maud Gray was the guest of Mrs. Fred Auxier Saturday and Sunday.
Mrs. G. H. Turnipseed spent Friday with her mother, Mrs. John Valentine.
Mr. McCormick and family of Montgomery county are visiting Mrs. Walter Lyman.
Mr. Lyman and wife and Mr. Allie Dickson and wife spent Sunday with Mrs. Mattingly.
Mr. and Mrs. Archie Gardner from Flemingsburg will visit relatives here next Saturday and Sunday.
Mr. Ed Pollitt has a new rubber-tired buggy; also, Mr. and Mrs. H. V. Riggan have a nice new phaeton.
The young folks will enjoy two hayrides this week—one to Tollesboro, another to Ruggles Campgrounds.

FEARIS.

Campmeeting closed Sunday night.
Very dry; corn and tobacco are firing.
Mrs. J. R. Kennard went to King's Mills Sunday.
Tom Fearis, who got mashed up at Springdale by his wagon upsetting, is getting well.
Mrs. Rosa B. Malone and Mrs. Mollie Boyd left Tuesday morning for a week's visit to relatives in La Fontaine, Ind.
The Executive Committee of the G. A. R. failed to take action Saturday on reunion matters and adjourned to meet at the regular meeting August 6th at 2 p. m. on Campground.
The public term of the Public School began here Monday, and we trust the teacher will do his duty if the Trustees do fail to do theirs.
Had a long time to finish repairs on house but not a lick done.
The busy season failed to bring the usual crowds to Campmeeting but everything passed off in a pleasant way. There were no arrests for disorderly conduct, and the gate fees paid expenses. Now let us get to work and with the assistance of the good people make our G. A. R. Reunion a success so far as patriotism is concerned. Remember the dates—August 26th and 27th.
A loaded wagon belonging to a farmer broke down at Mathews's switch yesterday evening.
The other night two colored young men were enjoying a spin on their wheels on the smooth surface in lower Market street, and not being aware of the fact that a rope was stretched from one side of the street to the other were thrown from their wheels with considerable force. Other than being greatly surprised at their sudden and unexpected precipitation they were unhurt.
